

# When I want to play with other children at the playground I will:

1. Walk to up them.

2. Say "May I play with you, please?"

3. If they let me, then I will play with them. If they don't let me, I will not be 😞 sad.

4. I will go to another set of children and say, "may I play with you, please?"

5. If they let me, then I will play with them. If they don't let me, I will not be 😞 sad.
