

# MATHS

## Maths Genie

<http://www.mathsgenie.co.uk/>

Free online GCSE and A level Maths Revision site  
Great site, divided into sections and levels, so students can work through areas they need practice.  
The levelled activities are well thought out, ideal for those who lack confidence.

A mix of short explanatory video's and practice activities.

Maths Genie

<http://mrbartonmaths.com/students/gcse/>

Huge amount of free resources

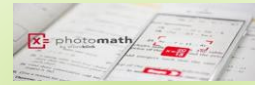

## FREE GCSE MATHS REVISION POSTERS

<http://bit.ly/2wRkdBp>

<https://corbettmaths.com/>

5 questions a day for revision - videos and worksheets

## PHOTO MATH APP

This app claims to show you how to work out Maths problems step by step

I have tried  $\times 8$  and it did all of them correctly!!

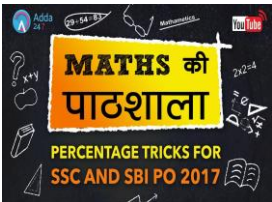

FREE- Worth a download

<http://mathswebsite.com/>

Need to create a free account, but it gives you access to so many videos/activities etc.

## Maths 247 You Tube

<http://bit.ly/2yWMUe5>

## Hegarty Maths - You Tube

<https://hegartymaths.com/>

## UK Maths Teacher – You Tube

<http://bit.ly/2rhEFV8>

# SCIENCE

## Free Science Lessons – You Tube

<http://bit.ly/1OEEh3>

## S-Cool Revision

<http://bit.ly/1HwzjGj>

## GCSE Core Science App – FREE

<http://apple.co/2z0UuGB>

<https://www.mathway.com>

A useful site to share with Students  
You can type in Maths and Chemistry questions and the website will show you step by step how to solve the problem

<https://gradedgorilla.com/gcse-physics-revision-questions.php>

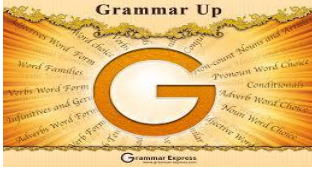

Great website for specific Physics questions and information

<https://www.my-gcescience.com/>

A premium site where you need to pay (Approx £25) but much cheaper than a tutor.

# ENGLISH

## Grammar Up APP £4.99

Short exercise easy to complete  
Age appropriate activities and text.

<http://apple.co/2yXUYx3>

## Word Quiz FREE

You can enter a list of words. You can make an audio recording of each word or enter a textual question. After that you can have the app quiz you on the words. The audio recording is played back and you must type in the spelling. Word quiz keeps track of the words that you missed and retests you on them.

<http://apple.co/2glaEtS>

Best Dictionary App I can find

## Dictionary.com

<http://apple.co/2yUu3CF>

This app is currently free It has great reviews and I really like the visual element. It is a modern accessible form of a dictionary I like the synonyms and antonyms examples. Highly recommend getting this while it is free.

## Fusion Calculator App

This is my kind of calculator! I really like this app, as you complete a calculation you can drag and place on the top, which helps students and adults who have trouble with multistep calculations and remembering where they are!

## English Biz

<http://www.englishbiz.co.uk/>

## Spark Notes

<http://www.sparknotes.com/>

Book and website format very easy to access and great for the initial overview of plot/characters etc.

## Mr Salles – English – You Tube

<http://bit.ly/2lqCQHd>

## Mr Bruff

<https://www.youtube.com/user/mrbruff>

Mr Bruff appears to be the GCSE English You Tube Channel of choice and there are now supporting books and texts.

# LANGUAGES

<https://www.memrise.com/courses/english/>

Easy to use site, lots of pre-made revision cards, and the option to test yourself. Lots of language revision cards for MFL's, but also range of other subjects such as Science etc.

## REVISION BUDDIES

Making smart apps,  
on smart phones, for smart students!

## GCSE French Revision Buddies App

£2.99 for a year

<http://bit.ly/2ydTU9q>

## Duolingo

<https://en.duolingo.com/course/es/en/Learn-Spanish-Online>

Fun format covering all  
GCSE languages

As many of our students will find exams daunting, I thought it an idea to share regular revision/study links. This link is a good link to help explain to Students and Parents how to study.  
<https://missdcoxblog.wordpress.com/2016/12/29/how-to-prepare-for-exams/>

# Organisation/Revision App's

## Total Recall App FREE

Great mind mapping tool for the iPad - very accessible

<http://apple.co/2zLvPmv>

## How to write an essay FREE

Good visual tool and it's free too

<http://apple.co/2yQSJfB>

## Popplet £4.99

Popplet is a platform for your ideas. Popplet's super simple interface allows you to move at the speed of your thoughts. With Popplet you can capture your ideas, sort them visually, and collaborate with others in real time

<http://apple.co/2glaEtS>

## iMindMap

This mind map app is endorsed by the inventor of mind maps - Tony Buzan.

<http://apple.co/2ySx8kb>

## Gojimo

By The Telegraph  
This app is currently ranked the most popular GCSE and A level App.

<http://apple.co/2yY0ujs>

## Total Recall App FREE

Great mind mapping tool for the iPad - very accessible.

<http://apple.co/2zLvPmv>

## Quizlet

<https://quizlet.com/>

Quizlet enables students to create their own flashcards, as well as to use sets created by others. Teachers can also create sets to share with their students. When you access a set, there are four different modes in which you can use them: cards, learn, match and test.

## Memrise

<https://www.memrise.com/home/>

Well worth a look - subject content is divided into small sections and there are different ways to remember content. Lots of subjects covered, and Languages seem to feature heavily.

## How to create a Revision timetable

<https://getrevising.co.uk/planner>

## How to reduce revision/exam stress

<https://www.tes.com/revision-tips/14-ways-help-pupils-combat-exam-anxiety>

### Parents of KS 3/GCSE and A Level students

<https://www.thestudentroom.co.uk/>

The Student Room used to charge £70 per year, but it is currently offering free access to its site. It has subject specific information, forums where you can ask for help, advice when applying to Uni etc.

<https://getrevising.co.uk/>

Great site, select subject and area and there are many pre-made cards and activities already prepared and teacher recommended.

<http://bbc.in/2gU1ILb>

A variety of ways to remember lists and order of events

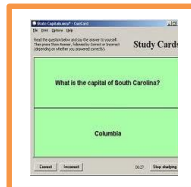

### Cue Card

<http://bit.ly/2iedJTa>

CueCard is a simple and intuitive flash card program. Just make up cards for what you want to memorize, and CueCard will quiz you on them. CueCard automatically focuses on the cards you are having trouble with. For each topic, write up one set of index cards with the word on the front, and the definition on the back. Shuffle them and drill yourself.

Each make a set and swap with friend/LSA.

<http://www.pocketmod.com>

Lots of our students have found this method helpful.

### Abbreviations Learn how to take notes/use abbreviations

<http://www.essayzone.co.uk/blog/how-to-take-lecture-notes-quickly-common-abbreviations-and-symbols-for-students/>

Make sure these are taught/specific/linked to I.E.P's

**Hand-outs from class** - take these and summarise on the day of the lesson/when you get home, even if you just highlight key vocab/points – all too easy to read and not remember!

**Electronic versions** - can be emailed to students/now you can annotate on iPad/iPhone using tools such as **Evernote**  
<https://itunes.apple.com/gb/app/evernote/id281796108?mt=8>
